BUILT-IN ASSISTANCE WHEN YOU NEED IT

“BEHIND THE SEAMS

***I'm Sophie – busy mother of two
with a lengthy to-do list.***

For me, any day spent sewing is a good day.

I grew up with a closet full of dresses that my grandmother made for me.

My creative fires were sparked when my grandmother

let me borrow her beloved HUSQVARNA VIKING®

*sewing machine. She taught me the basics and I started creating
designs from her fabric scraps.*

*Before my grandmother passed away, she gave me her
sewing machine and the opal earrings that she had worn every day for as
long as I can remember. Such precious memories.*

*How it made me smile when I saw the HUSQVARNA VIKING® OPAL™
sewing machine in the store! I'm thrilled to be able to teach
my daughters how to sew on it.*”

BUILT-IN ASSISTANCE THAT HELPS ACHIEVE GREAT SEWING

If you are sewing on a mechanical machine or an older computerized model, you are missing out on the benefits of modern technology. Our OPAL™ computerized sewing machines are extra-efficient with loads of built-in assistance to change the way you sew for the better! Let your HUSQVARNA VIKING® OPAL™ sewing machine focus on delivering the best results while you relax and focus on the joy of sewing!

MODERN INNOVATION

- The TouchScreen is easy to navigate and shows all your settings.*
- The Automatic Thread Cutter is a true time-saver. It cuts the top and bobbin thread automatically.*
- The Bobbin Thread Sensor alerts you when the bobbin thread is about to run out.*
- The Electronic Self-Adjusting Thread Tension sets the best tension automatically for all your sewing techniques and fabrics.*

GENEROUS CAPABILITY

- The generous 8" (200 mm) sewing surface and long arm makes it easy to sew large projects.
- There are 4 built-in fonts (3 on the OPAL™ 650 sewing machine) for personalizing, labeling and dating your sewing projects.
- Program and save personal stitch settings to the "My Stitches" menu.
- Up to 200 beautiful stitches for endless creative opportunities including 7 mm stitch width.
- The Perfectly Balanced Buttonholes (PBB) and the Exclusive Sensor One-Step Buttonhole Foot automatically sews perfect one-step buttonholes every time.

USER-FRIENDLY CONVENIENCE

- The Exclusive SEWING ADVISOR® feature optimizes your sewing with automatic settings.
- 3 LED lights reduce shadows while sewing.
- The Built-in Needle Threader makes threading so easy.
- The Sew On Button Program means buttons are attached easily by machine!

for inspiration!

LESS TIME AND EFFORT – MORE JOY

Take some advice from your sewing machine! Simply enter the type of fabric and the sewing technique and the Exclusive SEWING ADVISOR® feature instantly sets the machine for you. It selects the best stitch, stitch width, stitch length, and sewing speed and provides recommendations for other settings. The HUSQVARNA VIKING® OPAL™ 670 sewing machine also sets the best thread tension for you, whereas it is recommended on the OPAL™ 650 machine. Just like having a built-in assistant!

LARGE GRAPHICDISPLAY

The OPAL™ sewing machines feature a GraphicDisplay. Touch the selection buttons on the touch panel or step through stitches with the navigator arrows. Everything you need to know is on the illuminated large GraphicDisplay. The OPAL™ 670 machine also has a user-friendly TouchScreen. All your settings, including the Exclusive SEWING ADVISOR® feature, are accessible. Simply use the stylus or fingertip to navigate.

*“Stitch
any stress
away!”*

HIGH QUALITY STITCHES, UP TO 7 MM IN WIDTH, FOR EVERY TECHNIQUE

Enjoy 200 stitches, up to 7 mm wide, on the OPAL™ 670 sewing machine and 160 stitches on the OPAL™ 650 machine – including utility, quilt, satin, heirloom and decorative stitches, as well as built-in buttonholes. The 670 machine has 4 sewing fonts (3 on the OPAL™ 650 sewing machine). All stitches are shown inside the lid.

This Red and White Polka Dot Dress is made with gorgeous details such as a lovely row of buttons and contrast piping.

BUTTONHOLE SUCCESS EVERY TIME

Lining up and making buttonholes can be a big challenge, but not with an OPAL™ sewing machine! The Perfectly Balanced Buttonhole system sews both sides of the buttonhole in the same direction for balance perfection. There are even seven buttonhole styles to choose from. The Exclusive SEWING ADVISOR® feature will select the best buttonhole for your fabric type and weight.

SOPHIE'S LIVING ROOM

A bit of whimsical charm is the perfect touch in the living room. And, there is nothing like the joy of seeing your children playing together in clothes you made especially for them.

Instruction on how to make the OPAL™ Scotty Dog Pillow is available on www.husqvarnaviking.com.

This colorful Scotty Dog Pillow is sewn from scraps of fabric leftover from other projects.

*“When you sew
you can really make
your house
a home”*

With the Automatic Thread Cutter on the HUSQVARNA VIKING® OPAL™ 670 sewing machine one touch cuts the top and bobbin threads and pulls thread ends to the underside of your fabric. Perfect assistance when you are sewing a row of buttonholes!

SOPHIE'S BEDROOM

Quilts bring so much character to a room – every home should have at least one! They're great for keeping you cozy on a cold night.

Instructions on how to make the Multi-color Quilt are available on www.busquarnaviking.com.

"A family is a patchwork of love"

The Personalized Quilt Label was made using one of the built-in sewing fonts. You can program and save personal stitch settings to the "My Stitches" menu.

The bobbin thread sensor on the HUSQVARNA VIKING® OPAL™ 670 machine stops sewing and alerts you when the bobbin thread is about to run out. Great assistance when you need it!

EASY TO MANAGE LARGE SEWING PROJECTS

The generous machine design offers plenty of sewing and fabric space. The open area from the side of the machine to the needle measures approximately 8" (200 mm). Perfect for quilts and other large sewing projects!

"Happy sewing!"

The cute Black and White Polka Dot Dress is made from stretch material. A girl's dream!

***"So much fabric,
so little time!"***

Clearly seeing your sewing and work surface is vital to your sewing success. Three LED lights placed over the needle area and sewing surface create great light for sewing.

HUSQVARNA VIKING® offers a myriad of accessories designed to make your sewing faster, easier and more professional. You will find them all in the Accessory User's Guide on www.husquarnaviking.com/!
